This div- bied to establish an advance of half to day afternoon, caused some gnessiness, idend was an astounding surprise not on- one cent per yard on goods which have lest a steamer should be on fire. We ly to the majority of stock operators at been selling at apparently low prices. Of could not learn the cause of the smoke the exchange, but the many who were supposed to share the confidence of the tive movement which caused such a futive movement which caused such a futive movement which caused such a futive movement which caused such a futhe level yesterdsy. None but those controlling owner in the road. Some of rore among the trade last week, but it compelled to do so were about the directors deny that at the close of seems to us that the advance is uncalled business on Saturday they knew the div-idend was to be declared, and it is report-dark styles of fancy called goods are conidend was to be declared, and it is report- dark styles of fancy called goods are coned that the meeting of the Directors was cerned, and there is a bare possibility held late on Saturday night, or Sunday that manufacturers may be made to sufmorning, at the house of one of their fer for this premature advance in prices number; that everything had been pre-before the spring season is over, if they Boy, Norman, Clifton and Argonaut do not resulate their production proper-were all due from above last night, and of the scheme, and the business was has- ly, because all the mills will no doubt will no doubt be at our wharf this morn-

of the binding force of contracts in gold, may not be able to real ze. which stone between A. S. Abell & Co. a special deposit of \$3000 in coln by the force prices upward prematurely have firm named, in December, 1881, and which was decided in the late Superior Court and Jobbers alike shoul In nowise count of Baltimore (Judge Martin) in favor tenance any processing that the late Superior Court tenance any processing the late Superior Court tenance any processing the late Superior Court tenance any processing the late Superior Court tenance and the late Superior Court tenance any processing the late Superior Court tenance any processing the late Superior Court tenance and the late Superior Court tenance any processing the late Superior Court tenance any processing the late Superior Court tenance any processing the late Superior Court tenance and the late Superior Cour nounced its decision in the case, Mr. Justice Alvin delivering the opinion. That opinion, while reversing the decision of the lower Court, remands the cause under a procedendo, that is, sends it back for a new trial. Thus there is really no result. Without reference to any ques- and preparing for spring business. tion as to the constitutionality of the Legal-tender net, the plaintiffs rested specifically upon the facts and circumstances of the case, the proofs that they brought forward to show a special deposit, as agreed upon by the bank officers and a made by the agent of A. S. Abell & Co., as testified by said agent, and the usage of banks in regard to special deposits to pay in kind, etc., the entry in the plaintiffic bank/scook being "cash, (coin) \$3000." As understood, it is on the naked question of a special contract that the new trial is to rest, the Court of Appeals having determined that even if the Legal-tender act be constitutional, contracts to pay in gold or sliver are enforcible according to their term and judgments may and must be rendered on them for payment in coin. The opinion of the Court is said to be quite lengthy.
